WHEREAS, this Board now finds and determines:

4. That said overhead structure will in no way interfere with the full use of Wabash Avenue by the public or be otherwise detrimental to or inconsistent with the free use of the easement of the public in said street or the proper highway purposes thereof;

5. 2. That the real estate which may be injuriously or beneficially affected by said overhead structure is lots numbered 83 through 88, 105, 104 and 89 through 94 in White's 1st Addition to the City of Fort Wayne, according to the recorded plat thereof, all owned by said petitioner Falstaff;

PETITION

January, 31, 1966

To: The Board of Public Works of the City of  
Fort Wayne, Indiana

Purusant to the provisions of Ch. 168, Acts of 1927, of the Indiana General Assembly, FALSTAFF BREWING CORPORATION OF INDIANA, an Indiana Corporation hereby petitions the Board of Public Works of the City of Fort Wayne, Indiana, for permission to construct and maintain a certain overhead structure across Wabash Avenue between Humphrey Street and Washington Boulevard in the City of Fort Wayne, Indiana, in accordance with that set of plans designated Job. No. 1855 and entitled "NEW CASE WAREHOUSE FOR FALSTAFF BREWING CORPORATION, PLANT NO. 7, FORT WAYNE, INDIANA", dated January 10, 1966, by Malcom R. Stirton, Architect, Detroit, Michigan, consisting of 7 pages designated P-1, A-1, A-2, A-3, A-4, S-1, S-2 and S-3, on file in the office of said Board of Public Works and by reference incorporated herein and made a part hereof, and represents and shows to said board as follows:

1. That it is the sole owner of all lots on both sides of said Wabash Avenue between Humphrey Street and Washington Blvd. in said City and state, to wit: lots numbered 83 through 88, 105, 104, and 89 through 94, all inclusive, in White's 1st Addition to the City of Fort Wayne, Indiana, according to the recorded plat thereof; which is all the real estate immediately abutting on both sides of the street described herein.
2. That it owns and operates a brewery upon the property lying west of said Wabash Avenue between Humphrey Street and Washington Blvd.
3. That it intends to build and is building upon said lots numbered 89 through 94 both inclusive in White's 1st Addition, lying east of said block of Wabash Avenue, a warehouse for the receiving and shipping of the goods and products of said brewery, which warehouse

will be an integral part of said brewery.

4. That said overhead structure will connect the present buildings of Falstaff on the west side of Wabash Avenue and the new warehouse being constructed upon the east side thereof, will be located across Wabash Avenue a distance of 165' 4" (+/-) north of the north right-of-way line of Humphrey Street, will have an all over width over said street of 11' 4" (+/-) and a minimum clearance above the crown of the pavement of Wabash Avenue of 16' 1 $\frac{1}{2}$ " measured in a perpendicular line.

5. That said overhead structure will in no way interfere with the full use of Wabash Avenue by the public or in any other way be otherwise detrimental to or inconsistent with the free use of the easement of the public in Wabash Avenue or the proper highway purposes thereof.
